

BTEC National Extended Certificate in Health & Social Care

COURSE OUTLINE

Do you want to help people? Do you want to be an active role in society? Do you want a head start in any management roles? If you answered 'yes' to any of these questions, then come and do Level 3 Health & Social Care with us.

This course is purpose built for students who wish to pursue a career in the Health sector, the Social Care sector or Child Care. We cover a range of topics, including working in H&SC, how people develop throughout their lives and the skills and attributes people acquire or learn as they go, the impact of self-image and perception on a person's life and the sociological studies that have been conducted to help them along their journey!

During this course you will learn many skills that are so easily transferable to interview situations, management positions and the working world in general. If you have a passion for learning how people tick, this is the course for you.

COURSE REQUIREMENTS

You must have at least five GCSE grades 9 - 4 including a grade 5 in English Language.

COURSE CONTENT & ASSESSMENT

Human Lifespan Development - Year 1 - Exam

Working in Health & Social Care - Year 2 - Exam
