IT Questionnaire

Dear Parents and Carers

In Fridays School Newsletter we asked you to complete an [IT Questionnaire](#). Please take 5 minutes to complete this short questionnaire as it really will be of benefit to your child(ren). **If you have more than one child at SWR, please complete the form for each child.**

We learnt so much during lockdown but we were always reacting to the changing requirements. Having a clear picture of what '**IT Access**' (if any) students have when they are at home, will enable us to prepare for any form of future local lockdown, as well as being able to continue to provide an education to any students who are required to self-isolate.

This form is incredibly important to us, and we would appreciate it if you could complete it by Friday 25th September 2020.

Many thanks
