

Wednesday 4th May 2016

Dear Parent/Carer

The Governing Body has met to agree the process for recruiting the school's new Head Teacher. We have taken advice from the Association of School and College Leaders and considered the local and national context.

Initially, the role will be advertised as an Interim position and we aim to appoint to this at the end of this half term for a 1st September start.

During the Autumn term, the permanent role will be advertised nationally, with the aim of recruiting a Head Teacher to start on the 1st January 2017.

Governors aim to keep you updated through the process. In the meantime, please do not hesitate to contact myself or Liza Beukes, Chair of Governors, via the school if you have any questions about this process.

Yours sincerely

Tim Lee
Vice-Chair of Governors
