

WEEKLY NEWSLETTER FRIDAY 13TH MAY 2016

Dear Parents/Carers

We have been extremely impressed with the way that students have conducted themselves in the school examinations this week. All of them, without exception, appear to have prepared well, and have been focused and extremely well behaved. This certainly bodes well for their future success.

Of course, we are aware of the pressure that students can feel as they prepare for exams. We want to support each individual to achieve their potential and gain the qualifications they deserve. In relation to this, we are always happy to speak to parents and carers about how you can best support your children. We had some extremely positive feedback for our Parent Partnership events for Year 11 students earlier this year and we will be replicating this model in the future.

Finally, thank you to all those who attended yesterday's Parent Council Meeting. It is always extremely useful to gain a better insight into our school from a parent/carer perspective.
