English Language Edexcel Revision Guide and Workbook

In preparation for their GCSE E examination, we recommend that all students buy the following revision resources:

- *Designed for hassle-free classroom and independent study with one-topic-per-page format.*
- *Exam-style worked examples match the new specification and demonstrate good exam technique, whilst practice questions let students test their understanding of a topic.*
- *Spelling and grammar support is provided in a dedicated skills page and integrated throughout the book.*
- *Level indicator shows students exactly what level they are working at.*

Revise Edexcel GCSE English Language Revision Workbook: For the 9-1 Exams (ISBN: 9781447987895).

- *One-to-one page match with the Revision Guide enables students to find the practice they need quickly and easily.*
- *Provides loads of practice questions in the style of the new exams, with their own set of accompanying texts.*
- *Guided support and hints provide additional scaffolding to help students avoid common pitfalls.*
- *Includes a full set of practice papers written to match the new specification exactly.*

The guide and workbook can be purchased online, or from most major book stores at the recommended retail price of £6.00 each.
