

To: Parents/Carers of Years 9, 10 & 11 GCSE Mathematics students

20<sup>th</sup> March 2017

Dear Parent/Carer

## GCSE Mathematics Revision Guides

The following revision guides for GCSE mathematics are now available for purchase on Parent Pay. In addition to Year 10 and Year 11 students, Year 9 students are following a 3 year GCSE curriculum and will find these books a useful tool in preparing for their examinations.

The books are aimed at the two entry tiers for the Edexcel GCSE Maths Exam. Broadly speaking, students in the top two sets are entered for the Higher Tier and students sets 3 and 4 are entered for the Foundation Tier. However, entry levels are not set until the spring of Y11 and, therefore, students may need to purchase the revision books for their final tier of entry nearer to the exam. If your child is unsure of which revision books they should purchase, please ask them to consult with their class teacher.

Students in Year 11 should purchase the revision guide for their GCSE Maths Entry Tier.

Students in years 9 and 10 should purchase books as follows:

Sets 1 and 2 → Higher Revision Guide and Workbook

Sets 3 and 4 → Foundation Revision Guide and Workbook

We are currently able to offer the books at a discounted price, as follows:

£5.00 REWISE Edexcel GCSE (9-1) Mathematics Higher Revision Guide (with online edition)

£5.00 REWISE Edexcel GCSE (9-1) Mathematics Higher Revision Workbook

£5.00 REWISE Edexcel GCSE (9-1) Mathematics Foundation Revision Guide (with online edition)

£5.00 REWISE Edexcel GCSE (9-1) Mathematics Foundation Revision Workbook

Yours sincerely
