

To: Parents/Carers of Y11 Mathematics students

29th March 2017

Dear Parent/Carer

Year 11 Maths Groups

As you will be aware, the entry tiers for our GCSE students have recently been finalised. In order to ensure that students are prepared to maximum effect for the forthcoming exams, teaching groups have been reviewed.

Students in Year 11 are divided into the R Split and the W Split. From the beginning of the Summer Term there will be 2 Higher sets and 2 Foundation sets in each split. Your child will be put in the most appropriate group within their tier of entry for their current level of performance. This will enable us to support and stretch students appropriately in the final weeks before their GCSE exams in order for them to get them the best grade possible.

Thank you for your support in ensuring that your sons/daughters take advantage of all the extra revision sessions which are in place both during the Easter holiday and after the summer term commences on Wednesday 19th April.

Please do not hesitate to contact me if you have any concerns.

Kind regards

Yours sincerely

J Thorburn

Mrs J Thorburn
