Message from Mr Maxwell, Music Department

Just to remind Parents & Carers of our Music Department target to raise between £5,000 and £10,000 through donations, sponsorship and crowd funding to enable us to acquire much needed musical instruments, software and keyboards and 7 – 10 new Apple Macs, etc. to enrich our Music Department.

We are not only looking for donations but are keen to find out if there are any families out there with surplus musical instruments of any kind which may be generously donated or sold to us at a charitable price. Monetary Donations can be made via Parentpay or please contact the school if you require further information or would like to donate direct to the school's bank account.

Thank you so much for any support you can give us; it would mean the world to us to provide the students with something special.
