A Reminder re Uniform and Equipment

Students' uniform and equipment is being checked daily by their form tutors and any incorrect uniform or equipment logged and written in the student planner. Where this is occurring frequently parents/carers will be contacted and in some instances invited in for a meeting so these issues can be discussed and resolved.

May we please point out that there has been a change to our uniform policy and **the wearing of hoodies in school is no longer allowed. Please note that this also applies to students in the Sixth Form.**

If you have any questions please contact your son's/daughter's form tutor in the first instance.

Thank you for your support with this. It is important that students are dressed appropriately and equipped for learning.

Mrs Wolfenden and Mr Gilbert

Arrangements re Eid al-Fitr 2017: All parents/carers are reminded that students are only allowed one day's authorised absence for religious observance. They must telephone school to advise the Attendance Officer but are welcome to telephone the night before and leave a message.

Important Notice for parents/carers re pick up time: Please respect that, from 2:50pm onwards, the front of school parking bays are for taxi and bus use only. There have been many incidents over the past few weeks where our students with wheelchairs have had to enter their transport from the middle of the road because parents/carers have parked in the bays. As you can appreciate, this is a huge safety concern for both our students and their taxi drivers. Your consideration is much appreciated, thank you.
