Understanding Autism

A new course for parents delivered by the
Licenced EarlyBird Trainers in Buckinghamshire
Saturday 17 June 2017, 10.00 to 3.00pm at BLT Learning Campus,
Aston Clinton, EYFS/17/180

This course aims to give:

- An overview of 'What is Autism?'
- To look at the 'Four Key Areas of Difference' in the way children with autism learn and how these differences impact on children at home and in schools and settings.
- To begin to explore the strategies used to support children with Autism including visual supports, social stories and the sensory environment.
- To explore ways of working together with your child's school or setting.
- To provide opportunities to meet and share experiences with other parents and ask questions specific to your child's and family's needs.

This course is for parents of children with Autism who are aged between 3 and 11 years old. It has been specifically developed for parents (or other family members) who have not been able to access a place on the National Autistic Society EarlyBird Programme.

The course costs £45 and includes lunch & refreshments along with handouts.

To book your place please log in to www.learningtrust.com
'Understanding Autism' Event Code EYFS/17/180. You will need to create an account, when registering choose the Job role 'Parent'.
