

DT/LF

10th January 2018

Dear Parent/ Carer

Year 11 Changes to Form time - 8th January 2018

I am writing to confirm changes that will be taking place during morning form times this term. Your son/daughter will be moving form groups based on their recent report so that we can support them as best as possible. Students will be moving form groups to be with a specialist subject teacher where they are below target in that teacher's subject. For those students who are not below in any subjects they have been placed in the subject where their current grade is the lowest. Form tutors will be remaining the same; however, students will be moved to be with a teacher who can offer them extra support.

Mr Hughes – History

Mrs Holt – ICT, Business & Media

Mrs Pitt – Art, Photography, Resistant Materials, Food Technology

Miss Ullah – English

Miss Bhogal – English

Miss Adams/Mrs Poole – Maths

These modifications will offer students an extra 80 minutes per week to work on a subject where they are below their target grade. Teachers will be there to support students during this time, but students will be responsible for bringing work for that specific subject and using the resources available to them to make the most of the opportunity. Where computers are needed for subjects, classes have been moved to computer rooms to support this.

These changes commenced as of Monday 8th January and students will be in their new form groups from Monday – Thursday and then on a Friday they will return to their original form groups to allow them an opportunity to be in their friendship groups as well as having contact time with their original Form Tutor. Your son's/daughter's original Form Tutor who they will be with on a Friday should still be your first point of contact if you have any questions or concerns.

We believe this change will really benefit students in the run up to their exams. Initially we are starting this on a trial basis and we will be reviewing this at February Half Term, based on feedback from students.

Yours sincerely

Mr D Thomas
Academic Leader of Year 11
