

23rd May 2018

Dear Parent/Carer

Year 7 End of Year Examinations

I am writing to inform you about the forthcoming Year 7 End of Year exams. The core subjects, Maths and Science, will be holding end of year exams for Year 7. English have already completed their end of year exams in the last week of this term.

These exams are an important part of your child's progress within KS3. The results from these exams will form the basis of students' predicted grades and will help towards determining which set they will be allocated into for Year 8.

Other subjects will inform your child as appropriate, of any end of year/unit assessments through 'show my homework'.

The dates and timings for these exams are as follows:

Date	Time	Subject	Venue
Thursday 21 st June	2:00-3:00pm	Maths	MH1
Friday 22 nd June	2:00-3:00pm	Maths	MH1
Week commencing 9 th July	During lesson	Science	Science

I would very much appreciate your help with supporting your child through this exam / assessment period. As a parent / carer you can help reduce the exam stress of your child by helping establish effective learning habits such as:

- Helping your child find a quiet place to study without distractions.
- Helping them to make 'mind maps' to collect ideas and summarise thoughts.
- Helping them to plan their study schedule early on so they have sufficient time to study.
- Reminding your child to take a short rest and move around between revision sessions.
- Offering help; sometimes it can be useful having someone to listen or practice with.

Please do not hesitate to contact me should you have any queries or concerns.

Yours sincerely

Miss E Gurney
Head of Year 7
