Dear Parent/Carer

## Year 9 End of Year Examinations

I am writing to inform you about the forthcoming Year 9 End of Year exams in English, Maths and Science. These exams are an important part of your son's/daughter's progress and transition into Year 10 and will be sat in the Main Hall to prepare students fully for their future GCSE exams.

I cannot stress the importance of these exams enough. Students need to revise and prepare thoroughly for these exams, and to take them very seriously.

The dates and timings for these exams are as follows:

Date	Time	Subject	Venue
Tuesday 19 <sup>th</sup> June	08:55- 10:55	English	MH1
Wednesday 20 <sup>th</sup> June	11:15-12:15	Science	MH1
Thursday 21 <sup>st</sup> June	11:15- 13:15	Maths	MH1
Friday 22 <sup>nd</sup> June	11:15-12:15	Maths	MH1

I would very much appreciate your help with supporting your son/daughter through this exam period. Some top tips can be found on our website covering revision techniques, revision timetables, nutrition, physical activity and sleep and although these are mainly focused on years 10 and 11, preparation now is key. Details of topics for revision will be put on 'show my homework' for students to access in order to revise.

Please do not hesitate to contact me should you have any queries or concerns.

Yours sincerely

*M. Henwood*
